DoD SkillBridge Program for Cybersecurity

RAPID ASCENT

Participate in entry-level/intermediate-level cybersecurity Job Readiness training designed to connect students to potential job opportunities during the last 180 days of their service.

Join Our Job Readiness Training SkillBridge Program

Our DOD SkillBridge cybersecurity tracks include Threat Hunting, Incident Response, Risk Management, and Network Security tailored to a SkillBridge member's industry of choice, including Aerospace, Manufacturing, Energy, Financial, and Healthcare. A program designed by employers for transitioning members.

Program

- Live online instructor-led training
- Gamified job simulator tasks
- Projects, team exercises, and enterprise systems
- Strong network of employers
- Advanced resume writing, LinkedIn, interview skills

Benefits

- Job Readiness Training for core employer job tasks
- A team to help you transform into your career
- Help entering GovCon and Commercial industries
- All while getting college degree credit!
- Earn all certifications you require to get employed

We Support GI Bill and DoD SkillBridge!

Why RapidAscent?

As a DOD-approved SkillBridge provider, RapidAscent prepares you to perform on Day 1 with on-the-job readiness training and direct connections with employers. Engage in advanced training, robust hands-on ranges, employer networks, mentors, mentoring events, and our supportive community.

What is SkillBridge?

The DOD SkillBridge program provides an opportunity for service members to gain valuable civilian work experience through specific industry training during their last 180 days of service.

Coveted, Mastery-Level Skills

RapidAscent, in collaboration with City University of Seattle, offers learners 30 core cybersecurity credits with a declared major. Benefit from sponsored networking events, connections to hiring managers, and access to cyber subject matter experts.

Includes DOD 8570 compliant training and Sec+/CySA+ voucher
